## ULPAN - Modern Conversational Hebrew

The Fall Semester will meet for 10 Weeks on  
Monday Evenings from 8:00 - 9:00 P.M.  
October 6 through December 8, 1997

Hebrew, the Jewish peoples' national language, connects us to our Israeli brothers and our texts. Now you can learn to speak Hebrew while meeting new people in a warm and comfortable atmosphere at the Y.

Chana Ramon, the principal of Etgar and a renowned Upan teacher from Queens and Nassau Counties, will painlessly guide you through vocabulary building and basic conversational skills. Her genuine warmth coupled with her expertise and innovative approach are sure to quickly transform you from a non-speaker to a Hebrew conversationalist.
