

The United Nations Remains Silent

Oppression of Women

Oppression of Gays

Oppression of Children

"Muslims-only" roads

Religious Oppression

**Demand that the Human Rights Council of the UN
focus on violations of basic human rights**

Attention New York!!

Join us for a demonstration against DURBAN II and the UNITED NATIONS
for ignoring global human suffering while obsessively focusing on only one country: Israel.

Speakers:

Curtis Sliwa—Founder of the Guardian Angels and a community activist
Rabbi Joseph Potasnik—Executive VP of the New York Board of Rabbis
Congressman Scott Garrett — R-NJ
