

Computer Lab Walk-In Hours

UJA-Federation of New York's
connect to care
The Jewish community at work for you

Date/Time: Every Friday | 10am – 1pm

Location: The Samuel Field Y

Workshop Description:

This open computer lab is available for those interested in a quiet place to work. A computer professional is also available to assist you with many of your computer related questions, such as: setting up an email, linkedIn, or facebook account; submitting job applications online or locating volunteer positions; help with online shopping; and much much more...

Provided in partnership with:

About ReServe:

ReServe connects experienced retired professionals with compensated service opportunities that challenge them to use their lifetime skills for the public good. ReServe is working to educate civic institutions about the experience and wisdom that retirees can bring them, to work with the institutions to create service opportunities, and to recruit, place and support retired professionals in the workplace. ReServe's ultimate goal: to bring fulfillment to the lives of retirees and to strengthen the institutions, the communities and the populations they serve.

UJA-Federation of New York's Connect to Care is a multi-agency initiative assisting families who have been adversely affected by the economic downturn and provides assistance with:

Employment & Career Transition Services, Legal and Financial Consultations, Supportive Counseling & Jewish Spiritual Care.
